

2018 VISUAL ARTS AWARD ORDER FORM

Spotlight on the Arts Award

PRESENTED BY

Award Description: MSHSL created an award program called the Spotlight on the Arts. The award recognizes “superior” student performances in debate, speech, one act play, music, and visual arts. Students receiving the “Best of Site” recognition at Section Visual Arts Festivals will receive the Spotlight on the Arts award. The awards will be mailed to the festival managers, from your Region Secretary, upon receipt of this order form.

Festival Manager Responsibility and Ordering: First and foremost, agree to participate in this recognition program! Determine how the “Best of Site” winners will be determined. Then order your awards from your Region Secretary and prepare to present the awards on site to the students who have earned them. As the festival manager, you are responsible for ordering the number of awards you estimate will be used at your Section Festival.
