OFFICIAL MSHSL POLICIES FOR GIRLS DANCE TEAM

CLASSES: League-sponsored competition will be conducted in three classes — A, AA and AAA; and in two divisions — High Kick and Jazz. All Girls Dance Teams registered with the MSHSL shall be eligible to compete in the Section Tournament.

Schools may choose to compete in either division or both divisions. Each division competition will be held on separate days.

Each class in the State Tournament shall have a qualifying round, and six (6) teams shall advance to the finals.

COMPETITION ON NON-SCHOOL TEAMS: A team member may compete only on the school team during the high school season. A team member may compete in solo competition or compete as a member of a non-school team if that team's composition and dance style is significantly different from the high kick and jazz style used by high school teams. Students may attend camps or clinics and compete within the content of that camp or clinic in the same way that other athletes can compete on teams within the clinic. See *Bylaw 203*.

NATIONAL COMPETITIONS AND PERFORMANCES: Dance teams must follow the same rules as other sports which are guided by MSHSL *Bylaw 410*. There are no limitations on competitions with teams from bordering states (Wisconsin, Iowa, South Dakota, North Dakota) or provinces (Manitoba, Ontario). Competitions with teams from all other states are limited to four (4) teams.

NOTE: Any school sponsored trips for teams or individuals must follow MSHSL Rules & Policies.

POST-SEASON GAMES – AWARDS: League rules prohibit schools from participating in post-tournament competition. No awards, other than ribbons, medals or trophies, may be received by or given to any squad member without forfeiture of eligibility privileges. Be sure your squad members and community understand this rule before possible violations develop. See *Bylaw 204* of the Official League Handbook to understand the established policy.

SUMMER PERFORMANCES: Teams may perform in one community-based event during the summer provided that approval has been received from the MSHSL office 30 days prior to the event. Please complete the **waiver form** and send it to the MSHSL. Preparation time is limited to one week preceding the event.

TERMS AND CONDITIONS FOR SECTION & STATE DANCE TEAM TOURNAMENT

TERMS AND CONDITIONS: The League Office will inform member schools of policies, procedures, dates, sites, and times of tournament competition. Information will be posted in the Dance Team section of the League's Web site (www.mshsl.org).

REGISTRATION: All Dance Teams participating in a Section Tournament MUST register for the Section Tournament in December each year. This registration will include intent to participate, and in which division (High Kick, Jazz or both). This information will be used to balance the number of teams that will advance to the State Tournament, as per current MSHSL policy.

OFFICIAL SQUAD SIZE: The maximum number of dancers that may compete is as follows:

High Kick 34 Jazz 26

For the purpose of awards and admittance to the State Tournament the official squad size is the number of dancers that compete plus up to 6 alternates, 2 managers and 3 coaches.

Revenue Sharing Reimbursement is based on the following squad size:

Class A = 18 (includes 2 coaches)

Class AA = 22 (includes 2 coaches)

Class AAA = 26 (includes 2 coaches)

[SEE STATE TOURNAMENT PROGRAM INFORMATION DEADLINES](#)

PERFORMANCE INJURY PROCEDURE: The League will provide a trainer for on-the-site medical attention.

If a dancer is bleeding or if there is an injury before the team enters the competition floor, a physician or trainer **MUST** examine the dancer in question. The team whose member has been injured will be moved into the final competition slot and all other teams will be moved forward. If a dancer has been injured before her team moves to the competition floor, a trainer or physician must affirm that said dancer may compete in the preliminary or final competition.

In an extreme instance when a dancer is injured or unable to continue the competition, the adult at the music table, who is responsible for that line, may make the decision to terminate the music and the competition. The team will then immediately exit the floor. The next team in order of competition will be called to the floor. No scores will be recorded for the unfinished performance. The team that terminated its competition will be placed in the last competition position for that class and must compete without the injured dancer. If the team whose dancer was injured advances to the finals, the injured dancer may compete with her team provided that a trainer or physician has examined the dancer and affirms that she may compete. Judging for the competition will begin with the first beat of the music with no reference to the unfinished performance noted in any of the judges' scores. If the injured dancer then competes and is re-injured, the team (1) must complete its routine and will be judges accordingly or (2) they may choose to terminate their competition and withdraw from the final round.

SCORING ERRORS: In the event a tabulation error is alleged after the completion of the meet, a coach must notify the Meet Director within one (1) hour from the time the score packets become available to the coaches. If the tabulation error is verified, the Meet Director, in consultation with the Superior Judges, will correct the error and sign off on the corrected results, which will become the official results. The Meet Director will contact those teams affected by the corrected results and the Superior Judge will fill out and send an incident report to the MSHSL.

STATE TOURNAMENT SCHOOL QUALIFYING INFORMATION: Specific information for qualifying schools is available on the MSHSL Administrative Web Site under Tournament Information.

RESPONSIBILITY FOR SPECTATOR CONDUCT

In order to elevate standards of sportsmanship and encourage the growth of responsible citizenship among the students, member schools, fans and school personnel, the MSHSL held a Sportsmanship Summit and asked student participants to identify behavior expectations they felt should be in place at every school event.

These minimum behavior expectations provide a foundation upon which member schools, conferences, administrative regions and the League's Board of Directors can build specific guidelines for activities under their control.

MSHSL Bylaw 409, **RESPONSIBILITY FOR PARTICIPATING TEAMS, STUDENTS AND SPECTATORS**, speaks to this issue, directly, and Bylaw 409-2 specifically states that, **"School officials shall be held responsible for the proper conduct of teams, team members, students and home spectators regardless of where the contest is being held."**

In all MSHSL activities, each participating school shall designate a person or persons from that school to serve as crowd control supervisors or chaperones. MSHSL tournament staff may require school administrators to contact the tournament manager prior to the start of the tournament game so that they can be immediately contacted to respond to behavioral issues regarding their team members, students and/or spectators at the tournament site. Each supervisor or chaperone should be immediately identifiable to the students and to the tournament site ushers and other security personnel. This will help to coordinate crowd control between school supervisors and tournament site personnel.

MSHSL MINIMAL BEHAVIOR EXPECTATIONS FOR REGULAR AND POST-SEASON TOURNAMENT COMPETITIONS:

- Respect the American flag and the National Anthem.
- Spectators must wear clothing that covers the entire torso. Those who do not comply or who wear clothing that is vulgar, obscene or that in some other way inappropriate, as determined by school/tournament personnel, will be removed from the arena/stadium if they do not cooperate with this behavior expectation.
- The use of appropriate language is expected at all times. Profanity, negative chants, booing, trash talk, name calling, personal attacks or other acts of disrespect are unacceptable and must be immediately addressed by school and/or tournament administrators.
- Respect the game/contest. Under no condition shall anyone other than the members of the official squad enter the playing surface. No one may interfere with the contest in any way.
- Hand held signs, which do not obstruct the view of others, will be permitted provided they are in good taste. Signs, message boards, "white" boards or other similar items contest/tournament officials deem to be in poor taste will be removed.
- **Signs on sticks, balloons, or any other type of artificial, celebratory items are not permitted.**
- Artificial noise makers (i.e. megaphones, cowbells, sirens, whistles, thunder sticks, and other similar items) are not allowed.
- Laser lights are strictly prohibited.
- No Pets Allowed
