Daily Participation Limits (Bylaw 502): When a penalty occurs at the end of a period and the penalty time will carry over to the next period, we allow a student to be replaced in the penalty box for the next period to **prevent** the use of an ineligible student if the next period would be the 5th period.

However, we do not allow the replacement of the student in the next period to **preserve** his or her future eligibility. If the next period is not the 5th period for the student the student must serve the penalty and count that period toward the maximum allowable periods for the day. If the coach wishes to ensure that a student has the desired further periods of participation available, it is the coach's responsibility to not have the student on the ice towards the end of a period when any penalty time assessed would carry over to the next period in which the coach had intended that the student not participate.

RESPONSIBILITY FOR SPECTATOR CONDUCT (8/9/05)

In order to elevate standards of sportsmanship and encourage the growth of responsible citizenship among the students, member schools, fans and school personnel, the MSHSL held a Sportsmanship Summit and asked student participants to identify behavior expectations they felt should be in place at every school event.

These minimum behavior expectations provide a foundation upon which member schools, conferences, administrative regions and the League's Board of Directors can build specific guidelines for activities under their control.

MSHSL Bylaw 409, **RESPONSIBILITY FOR PARTICIPATING TEAMS, STUDENTS AND SPECTATORS**, speaks to this issue, directly, and Bylaw 409-2 specifically states that, **"School officials shall be held responsible for the proper conduct of teams, team members, students and home spectators regardless of where the contest is being held."**

In all MSHSL activities, each participating school shall designate a person or persons from that school to serve as crowd control supervisors or chaperones. MSHSL tournament staff may require school administrators to contact the tournament manager prior to the start of the tournament game so that they can be immediately contacted to respond to behavioral issues regarding their team members, students/spectators at the tournament site. Each supervisor or chaperone should be immediately identifiable to the students and to the tournament site ushers and other security personnel. This will help to coordinate crowd control between school supervisors and tournament site personnel.

MSHSL MINIMAL BEHAVIOR EXPECTATIONS FOR REGULAR AND POST-SEASON TOURNAMENT COMPETITIONS:

- Respect the American flag and the National Anthem.
- Spectators must wear clothing that covers the entire torso. Those who do not comply or who wear clothing that is vulgar, obscene or that in some other way inappropriate, as determined by school/tournament personnel, will be removed from the arena/stadium if they do not cooperate with this behavior expectation.
- The use of appropriate language is expected at all times. Profanity, negative chants, booing, trash talk, name calling, personal attacks or other acts of disrespect are unacceptable and must be immediately addressed by school/tournament administrators.
- Respect the game/contest. Under no condition shall anyone other than the members of the official squad enter the playing surface. No one may interfere with the contest in any way.
- Hand held signs, which do not obstruct the view of others, will be permitted provided they are in good taste. Signs, message boards, "white" boards or other similar items contest/tournament officials deem to be in poor taste will be removed.
- Signs on sticks, balloons, or any type of artificial, celebratory items are not permitted.
- Artificial noise makers (i.e. megaphones, cowbells, sirens, whistles, thunder sticks, and other similar items) are not allowed.
- Laser lights are strictly prohibited.
