AA Boys State High School Hockey Tournament Season Ticket holder,

As we approach the much-anticipated beginning of the 2020-2021 high school hockey season, we know that there are many unanswered questions and a great deal of uncertainty. One of the biggest questions is whether state tournament season tickets will be sold through the Xcel Energy Center Box Office for the 2021 AA Boys Hockey Tournament. We appreciate your patience and understanding over the last several months and as we continue to move forward. The reality is that due to the pandemic, answers to your questions are not yet available, yet we want to provide some clarity and direction. We have been deliberate in ensuring we have the best information possible before moving forward with any decisions or announcements related to a state tournament and corresponding season tickets.

In the next two weeks you will be receiving a mailing from the Xcel Energy Center Box Office in conjunction with the MSHSL. Together we are asking you to take action at this time to update your account online as soon as possible to receive tournament updates and to maintain your priority year status. The forthcoming letter contains detailed information about your current account and directions on how to set up your online account. This important letter is your official notification that all future communication will be done electronically through the email address you provide for your season tickets.

Although a final decision has not been made regarding the tournament, we know there will be changes in how our season ticket holder accounts are updated and processed moving forward. The Minnesota State High School League is partnering with the Xcel Energy Center to update the Class AA Boys Hockey ticket accounts, resulting in a more efficient and paperless renewal process. These updates will allow for real-time tournament updates and secure, online contactless payments.

We are proud of our more than 4,000 dedicated, loyal, and passionate season ticket holders. Like you, we are eager for the day when we can all come together again as a community and enjoy the atmosphere of sellout games at Xcel Energy Center. The fan experience and support you provide is second to none and our member school student-athletes are always excited to perform their best in front of you. Please complete the steps outlined in the forthcoming letter to ensure that you will be able to be in attendance when we return to the Xcel Energy Center.
