

MINNESOTA STATE HIGH SCHOOL LEAGUE

ONE ACT PLAY FINAL TABULATION

Class: _____ Section: _____

Play	School	Judge #1	Judge #2	Judge #3	TOTAL	RANK

Contest/Site Manager: _____

To determine the average ranking of several Judges, the Contest Manager shall total the rankings of each play and award **1st place to the play receiving the lowest total points**, second place to the second lowest, etc.

Exception for SECTION CONTESTS: At Section Contests (Finals) ONLY, any play receiving first place rankings from a majority of judges shall be declared the Section Champion regardless of total ranking points and that play shall advance to the State Festival. Other plays will then be ranked according to items 3-6 under Contest Scoring and Ranking, in the [One Act Play Rules & Policy Manual](#), located on the MSHSL Website). If no play receives a majority of the first place rankings at Section Finals, the procedures outlined in items 3-6 shall be used to determine all plays' final places.
