For immediate release:

MSHSL partners with Wanamaker for real-time golf platform

The Minnesota State High School League (MSHSL) committed to a multi-year partnership with Wanamaker Corporation, creator of the MSHSL Golf app and iWanamaker golf event management software. The MSHSL Golf app, powered by iWanamaker, is a robust and scalable golf event management platform designed specifically for high school golf.

The partnership of iWanamaker and the MSHSL Golf app creates an official online event management complete with player rosters, live scoring, and a rankings hub for MSHSL Golf. The iWanamaker platform will be the official event management software for all MSHSL postseason tournaments. The agreement begins with the League's 2021 golf season this spring.

Through its proven Golf Tournament Management Platform (iWanamaker and associated native apps), activities directors, coaches and student-athletes will receive free access to schedules, live leaderboards, player scorecards, rankings and more. Spectators must purchase a ticket to access content.

"Athletics and activities are best when all involved can experience the passion and excitement of competition in real time," League Executive Director Erich Martens said. "This partnership with Wanamaker Corporation will ensure fans, parents, student-athletes and school officials receive real-time results and can follow the entire field throughout the course of each exciting event."

Wanamaker Corporation, the pioneer of online secure scoring for high school golf, has long served multiple high school state associations. The League joins thousands of schools, leagues, and governing bodies already using Wanamaker Corp technologies to streamline golf tournament setup, player registration, secure scoring, rankings, and data management.

"We are excited to partner with the MSHSL to bring online secure scoring, accurate golfer rankings and increased scoring integrity to all members of the Minnesota high school golf community," Wanamaker Corporation CEO Doyle Heisler said. "Minnesota has so much passion for golf, and together with the MSHSL, we are excited to help increase awareness and grow the sport across the state."

About the MSHSL

The Minnesota State High School League exists to provide competitive, equitable and uniform opportunities for high school students to learn valuable lessons through participation in athletics and fine arts. The League also provides support for member schools with programs that address sportsmanship, chemical health, scholarship recognition. The League also oversees more than 6,300 registered contest officials and judges and provides educational programs for coaches.

About Wanamaker Corporation

Wanamaker Corporation is the premier supplier of software as a service for nationwide high school golf event management, secure scoring and rankings for individuals and teams. The experienced development team behind iWanamaker and associated native apps is continuously improving the platform to deliver a first-class experience for users.
