State Tournament Medal Records - 1969-2021

Apple Valley in Class AA and Walker-Hackensack-Akeley in Class A lead their respective classes in number of medals earned at State Speech Tournaments from 1969 to 2021. The year 1969 marked the first year in which a preliminary round and final round resulted in awarding medals to the top three place winners in each division. The first two-class competition was held in 1976. In 1979 the number of medals awarded in each of the 11 categories of competition increased from three to six. In 1989 the number of categories increased to 12. In 1990 medals were awarded to each of the finalists through eighth place. In 1993, the Dramatic Duo category was added making the number of categories 13. In 2002 the format changed to qualify three entries from each section in each category and having three preliminary rounds at the State Tournament before the finals. Since 1969 students from 424 member schools have won medals at the State Speech Tournament.
