- Weather Conditions (heat, cold & lightning)

### CONTEST RULES

Refer to [Bylaw 402](#)

Except as modified by the League, the current rules practically applicable in the Federation International de Ski Rule Book shall be the official rules for all interscholastic meets which member schools participate.

### END OF SEASON

Refer to [Bylaw 411](#)

A. Student Participation on a Non-School Team While the Season is Still in Progress:

- 1) The season shall end when the student or the student's team has been eliminated from further participation in a League tournament series.
- 2) Students who have been eliminated from further participation in a League tournament series may participate as an individual or as a member of a non-school team in that sport.

B. School Team Practice and Competition:

The "end of season" shall be defined to be the last date of the state tournament in that sport.

- 1) Schools may continue to conduct practice and training for all squad members, including the students who have been eliminated from further individual competition in a League-sponsored series, until completion of the state tournament conducted by the League in that activity.
- 2) Dual contests may be scheduled after the start of the official League tournament series providing the school does not exceed the maximum number of games/matches/meets permitted in that activity.

C. No school may engage in any meet or meets, practice, training, or other activities between the end of the season and the opening of the next season.

D. During the Summer Vacation Period (Bylaw 208:3 Non-School Competition and Training—Team and Individual Sports) members of a high school team may participate on a non-school team and they may receive coaching or training from a salaried or non-salaried member of the student's sophomore, B-squad, junior varsity or varsity high school coaching staff in that sport provided the school has approved a summer coaching waiver for the coach or coaches of that sport.

### VIDEO TAPING ANOTHER SCHOOL'S GAME

It shall be an ethical violation to tape another school's game, meet or contest without their permission. Further it may be a violation of the laws governing copyrights. Each school owns the copyrights to their games, meets and contests. Taping another school's game without permission could constitute a violation of the copyright law.

## **RESPONSIBILITY FOR SPECTATOR CONDUCT**

In order to elevate standards of sportsmanship and encourage the growth of responsible citizenship among the students, member schools, fans and school personnel, the MSHSL held a Sportsmanship Summit and asked student participants to identify behavior expectations they felt should be in place at every school event.

These minimum behavior expectations provide a foundation upon which member schools, conferences, administrative regions and the League's Board of Directors can build specific guidelines for activities under their control.

MSHSL [Bylaw 409](#), RESPONSIBILITY FOR PARTICIPATING TEAMS, STUDENTS AND SPECTATORS, speaks to this issue directly, and Bylaw 409-2 specifically states that, "School officials shall be held responsible for the proper conduct of teams, team members, students and home spectators regardless of where the contest is being held."

In all MSHSL activities, each participating school shall designate a person or persons from that school to serve as crowd control supervisors or chaperones. MSHSL tournament staff may require school administrators to contact the tournament manager prior to the start of the tournament game so that they can be immediately contacted to respond to behavioral issues regarding their team members, students and/or spectators at the tournament site. Each supervisor or chaperone should be immediately identifiable to the students and to the tournament site ushers and other security personnel. This will help to coordinate crowd control between school supervisors and tournament site personnel. (8/9/05)

## **MSHSL MINIMAL BEHAVIOR EXPECTATIONS FOR REGULAR AND POST-SEASON TOURNAMENT COMPETITIONS**

- Respect the American flag and the National Anthem.
- Spectators must wear clothing that covers the entire torso. Those who do not comply or who wear clothing that is vulgar, obscene or that in some other way inappropriate, as determined by school/tournament personnel, will be removed from the arena/stadium if they do not cooperate with this behavior expectation.
- The use of appropriate language is expected at all times. Profanity, negative chants, booing, trash talk, name calling, personal attacks or other acts of disrespect are unacceptable and must be immediately addressed by school and/or tournament administrators.
- Respect the game/contest. Under no condition shall anyone other than the members of the official squad enter the playing surface. No one may interfere with the contest in any way.
- Hand-held signs, which do not obstruct the view of others, will be permitted provided they are in good taste. Signs, message boards, "white" boards or other similar items contest/tournament officials deem to be in poor taste will be removed.
- Artificial noise makers (i.e. megaphones, cowbells, sirens, whistles, thunder sticks, and other similar items) are not allowed.
- Laser lights are strictly prohibited.
