CONTEST RULES

Refer to [Bylaw 402](#): Except as modified by the League, the National Federation of High School Association rules for the current year shall be the official game rules for all interscholastic contests in which League members participate.

END OF SEASON

Refer to [Bylaw 411](#)

- A. Student Participation on a Non-School Team While the Season is Still in Progress:
 1. The season shall end when the student or student's team has been eliminated from further participation in a League tournament series.
 2. Students who have been eliminated from further participation in a League tournament series may participate as an individual or as a member of a non-school team in that sport.
- B. School Team Practice and Competition:

The "end of season" shall be defined to be the last date of the state tournament in that sport.

 1. Schools may continue to conduct practice and training for all squad members, including the students who have been eliminated from further individual competition in a League-sponsored series until completion of the state tournament conducted by the League in that activity.
 2. Dual contests may be scheduled after the start of the official League tournament series providing the school does not exceed the maximum number of games/matches/meets permitted in that activity.
- C. No school may engage in any meet or meets, practice, training or other activities between the end of the season and the opening of the next season.
- D. During the Summer Vacation Period ([Bylaw 208.3](#) Non-School Competition and Training—Team and Individual Sports) members of a high school team may participate on a non-school team and they may receive coaching or training from a salaried or non-salaried member of the student's sophomore, B-squad, junior varsity or varsity high school coaching staff in that sport provided the school has approved a summer coaching waiver for the coach or coaches of that sport.

VIDEO TAPING ANOTHER SCHOOL'S CONTEST

It shall be an ethical violation to tape another school's game, meet or contest without their permission. Further it may be a violation of the laws governing copyrights. Each school owns the copyrights to their games, meets and contests. Taping another school's game without permission could constitute a violation of the copyright law.

RESPONSIBILITY FOR SPECTATOR CONDUCT

In order to elevate standards of sportsmanship and encourage the growth of responsible citizenship among the students, member schools, fans and school personnel, the MSHSL held a Sportsmanship Summit and asked student participants to identify behavior expectations they felt should be in place at every school event.

These minimum behavior expectations provide a foundation upon which member schools, conferences, administrative regions and the League's Board of Directors can build specific guidelines for activities under their control.

MSHSL [Bylaw 409](#), RESPONSIBILITY FOR PARTICIPATING TEAMS, STUDENTS AND SPECTATORS, speaks to this issue, directly, and Bylaw 409-2 specifically states that, "School officials shall be held responsible for the proper conduct of teams, team members, students and home spectators regardless of where the contest is being held."

In all MSHSL activities, each participating school shall designate a person or persons from that school to serve as crowd control supervisors or chaperones. MSHSL tournament staff may require school administrators to contact the tournament manager prior to the start of the tournament game so that they can be immediately contacted to respond to behavioral issues regarding their team members, students and/or spectators at the tournament site. Each supervisor or chaperone should be immediately identifiable to the students and to the tournament site ushers and other security personnel. This will help to coordinate crowd control between school supervisors and tournament site personnel. 8/9/2005

MSHSL MINIMAL BEHAVIOR EXPECTATIONS FOR REGULAR AND POST-SEASON TOURNAMENT COMPETITIONS

- Respect the American flag and the National Anthem.
- Spectators must wear clothing that covers the entire torso. Those who do not comply or who wear clothing that is vulgar, obscene or that in some other way inappropriate, as determined by school/tournament personnel, will be removed from the arena/stadium if they do not cooperate with this behavior expectation.
- The use of appropriate language is expected at all times. Profanity, negative chants, booing, trash talk, name calling, personal attacks or other acts of disrespect are unacceptable and must be immediately addressed by school and/or tournament administrators.
- Respect the game/contest. Under no condition shall anyone other than the members of the official squad enter the playing surface. No one may interfere with the contest in any way.
- Hand-held signs, which do not obstruct the view of others, will be permitted provided they are in good taste. Signs, message boards, "white" boards or other similar items contest/tournament officials deem to be in poor taste will be removed.
- Artificial noise makers (i.e. megaphones, cowbells, sirens, whistles, thunder sticks, and other similar items) are not allowed.
- Laser lights are strictly prohibited.

THANK YOU for supporting your student athletes and fine arts participants and for providing a positive environment in which educational activities are conducted.

Wrestling Information – Regular Season

See the MSHSL Official Handbook [Bylaw 521](#) for information regarding:

- Contests
- Equipment Issued
- Last Date to Join a Team
- Practice Sessions Before First Contest
- Season Begins

RULE MODIFICATIONS

- **Weight control program (Rule 1.5.2):** Hydration testing not required
- **Random Draw (Rule 5.21):** A random draw is not used. All wrestling begins with the 106-pound class
- **Section Tournaments:** A sixth match is allowed for a one-day section tournament

CONTESTS

A. Maximum number allowed - 16

Sixteen events with the total number of team competitions within the 16 events not to exceed 45.

A wrestling team may schedule up to four team events for girls only without counting them against the 16 dates/45 matches. All individual wrestlers must not exceed the 16 dates/45 matches during the course of the season.

Participation in two separate varsity team competitions on the same calendar date shall count as two events toward the total allowable events and all team matches during the events will count toward the 45 total allowable competitions.

For example: A school sends a team to participate in a Saturday varsity tournament in Andover and sends another team to participate in a varsity tournament in Blaine. Both events would count toward the 16 allowable events and all matches in the two separate events would count toward the 45 allowable events for individual wrestlers and the team matches.

A two-day continuous event shall count as one event toward the maximum of 16 allowable events. An individual tournament shall count as one event toward the maximum of 16 allowable events, and it shall also count as one of the 45 allowable team competitions. All individual matches in all events would count toward the 45 allowable events for an individual wrestler.

A two-day, dual meet tournament will count as one event toward the maximum of 16 allowable events, and each team competition in that tournament counts toward the 45 allowable team competitions.

Dual Meet Varsity and JV Participation

For Dual, Triangular and Quad Meet participation an individual can wrestle in the JV and Varsity portion of each dual. Participating at the JV and Varsity level of a dual will count as two matches toward the maximum of 45 individual matches but only count as one event toward an individual wrestler's maximum participation in 16 events.

The individual can wrestle in both the JV and Varsity levels of the dual as long as:

- ***The wrestler does not exceed the Match Limit of 5 per day***

- *The wrestler has a rest time between matches of 45 minutes*
- *The wrestler does not exceed the 45 match count limit*
- *The wrestler does not exceed the 16 event limit (Varsity & JV portion of an event count as only 1 event together)*

Dual/Triangular/Quad Meet Procedure: Teams will weigh-in all of their wrestlers by weight at the same time from smallest to largest (Varsity, Junior Varsity & Junior High at the same time).

- *Each team would be required to designate and notify the opposing team of their roster that could be used on their Varsity squad for that event prior to the start of weigh-ins.*
- *All wrestlers on the varsity roster would be eligible to wrestle both the junior varsity and varsity competitions if all previously stated rules are followed.*

B. Non-League Tournaments

Tournaments, not part of League play, will count as one event toward the total number allowed. Conference or division champions may schedule a 17th event (after the end of regular season/conference play) to determine an inter-conference or intra-conference championship. The event must be listed on the school schedule. Wrestling in the 17th event does not count toward the 45 competitions total but the weigh-in will be used toward the 50% rule for determining the wrestler's certified weight.

- C. A school may enter more than one participant at a specific weight in an individual regular season tournament if byes exist when other participating teams cannot provide a wrestler in that specific weight. A school may use a maximum of 5 additional wrestlers beyond the original 14 weight class participants with the total number of participants not to exceed 19 wrestlers.

MSHSL POLICY ON CANCELLATIONS AND POSTPONEMENT

When weather forces postponement of an event and it must be rescheduled to a Monday because of gym availability or scheduling conflicts, a one-pound weight allowance shall be granted because no practices may be held on the day before competition (Sunday).

WEIGHT CERTIFICATION PROCEDURES

WEIGHT PERMIT FORM

Each student participating in wrestling must have a current completed physical form and must submit the annual Wrestling Weight Permit properly signed by the skin fold technician, a physician and the student's parent.

- 1. Weight Certifications cannot take place until the first official day of the season and must be registered electronically.**
2. Before engaging in any interschool-wrestling match.
3. SKIN MEASUREMENTS AND WEIGHT MUST BE DONE AT THE SAME TIME.
4. This permit must be kept on file in the school office and be available on request.
5. The lowest certifiable wrestling weight of each wrestler will be determined by predicting the wrestler's weight at 7% body fat for males and 12% body fat for females (multiplied by 97% of the body weight.)
6. Once the weight permit form has been completed, it cannot be changed by modification or by a second examination. The falsification of any wrestler's body composition testing results may result in that school's wrestling team being ineligible for tournament competition that year.
7. One of the following body composition testing methods shall be used:

- a. Skin Caliper (minimum of three skin fold sites mandatory)
- b. Hydrostatic (underwater) weighing

WEIGHT CERTIFICATION TO LEAGUE OFFICE

All high school wrestlers must have their body composition tested. The electronic MSHSL Wrestling Weight Certification form must be completed and submitted online to the MSHSL office **prior to the first competition or no later than December 10th**. Failure to submit the form prior to the first contest or December 10th, if you do not have a competition prior to December 10th, whichever occurs first, will result in forfeitures for all duals and matches, and may disqualify the school from MSHSL tournament competition.

Additions to the original list must be filed prior to participation in any interschool competition. There will be no exceptions to the deadline.

WEIGHT CLASSES

When boys wrestle boys or when girls wrestle boys, competition shall be divided into 14 weight classes as follows (pounds):

106 – 113 – 120 – 126 – 132 – 138 – 145 – 152 – 160 – 170 – 182 – 195 – 220 – 285

When girls wrestle girls, competition shall be divided into 12 weight classes as follows (pounds):

100 – 107 – 114 – 120 – 126 – 132 – 138 – 145 – 152 – 165 – 185 - 235

ORDER OF COMPETITION

All wrestling competitions will start at 106 pounds. The minimum weight for 106 is 91 pounds and the minimum weight for 113 is 98 pounds. Minimum weight for 285 is 195.1+. Growth allowance (as of January 1) affects minimum weights.

A two-pound growth allowance goes into effect on January 1. The minimum weights with the growth allowance are: 106(93), 113(100) and 285(197.1).

WEIGH-IN PROCEDURE

All weigh-ins including the regular season and section tournaments must be conducted according to the National Federation rules of wrestling. Administrators are reminded that scales must be certified annually.

SKIN CHECKS

The meet official or an on-site health care medical professional must conduct a Skin Check of all wrestlers prior to the start of the match.

Procedure:

1. The skin check will be done in the locker room to ensure privacy.
2. Coaches from both teams should be present.
3. The official will make the decision whether or not a wrestler can compete.
4. If a wrestler has a skin condition, the wrestler must have a current physician's statement at the skin check which clears him for competition. Note: Officials may disqualify a wrestler if a skin condition appears active.
5. The examination should include the face, trunk and upper body, and lower body.
6. The tournament physician will have final determination if an infectious disease will disqualify a participant from the tournament.
7. The tournament physician can override another physician's note about an infectious disease if they feel it has been improperly diagnosed or it has changed or worsened since the note was written.

GROWTH ALLOWANCE

Minnesota wrestlers will receive growth allowance according to the National Federation rules. A two-pound growth allowance will be granted January 1st.

NFHS RULE 4.5.5

Competitions that are postponed for one calendar day or more, for reasons beyond the control of the participating school(s), or practices that cannot be held in these situations due to school policy shall be treated the same as competitions when there are consecutive days of competition in terms of the one pound allowance, with the exception of the required 48-hour notice.

MEDICAL/INJURY DEFAULT

A wrestler who defaults for a Head/Neck/Cervical injury must have a "Physician's Approval to Resume Participation in Interscholastic Activities" form signed by a physician before the wrestler may return to competition.

MOUTH GUARDS

The use of mouth guards is strongly recommended. Mouth guards that have been cut down or modified in any manner are illegal equipment. Students with braces or a special orthodontic device are required to wear a tooth and mouth protector as per NFHS Rule 4-2-5.

SECTION/STATE MINIMUM WEIGHT CERTIFICATION PROCESS

Section/State Tournament weight - 50% of a wrestler's weigh-ins starting January 15 and ending the first date of sub-section/section tournament must be at the lowest weight that he/she will wrestle at the sub-section/section and state tournament.

Example: The wrestler weighs in at 132 pounds 5 times, 126 pounds 5 times and 120 pounds 5 times. The wrestler is not eligible to wrestle at 120 pounds in post-season tournaments, but the wrestler is eligible to wrestle at 126 pounds, provided the wrestler makes weight at the tournament site.

Wrestlers who have not had a weigh-in after January 14th may appeal to the MSHSL to certify their minimum weight for section and state tournament competition.

APPEAL PROCEDURE

The Athletic Director shall submit the following documents for approval.

1. Email a letter requesting an appeal for establishing a minimum wrestling weight. The letter must include the following:
 - a. State the minimum weight that you are seeking to have the wrestler certified.
 - b. The wrestler's current weight.
 - c. Identify the medical reason why the wrestler did not have any weigh-ins after January 15th. The appeal must be accompanied by a letter from the attending physician, stating the reason and length of time the wrestler was unable to compete.
2. A copy of the wrestler's Wrestling Weight Permit.
3. A listing by date of all of the appealing wrestler's weigh-ins.

TEAM SUB-SECTION COMPETITION

In sections with 15 or fewer schools in wrestling, subsection meets need not be held, and the teams will advance directly to section competition.

STATE TOURNAMENT SCHOOL QUALIFYING INFORMATION

information will be provided to each school after the championship match of their section tournament. Specific information for qualifying schools will be posted on the MSHSL website.

WEIGH-INS FOR SECTION TOURNAMENTS

All weigh-ins must be conducted under the National Federation rules of wrestling.

- A. Actual wrestlers weight must be recorded on an official weigh-in sheet.
- B. Athletic director, tournament manager, official or designee must conduct weigh-ins and certify the actual weight.
- C. Weigh-ins must be conducted at the times specified by the National Federation rules.
- D. The certified weigh-in sheet must be submitted electronically to the tournament manager by the established section deadline.
- E. Female wrestlers are required to wear an undergarment that covers the breasts and buttocks. Male wrestlers must wear a suitable undergarment to cover the buttocks and groin. All contestants, regardless of gender, shall weigh-in together because of the modification of the rule that allows them to wear a legal uniform for weigh-ins.

WEIGH-INS

Wrestlers will weigh in at the scale designated for their weight. Additional scales will be located elsewhere so that wrestlers may check their own weights. The official weigh-in periods for the State Wrestling Tournament will be listed in the schedule posted on the League's Web site.

NFHS RULE 4.5.8: Any contestant failing to make weight during the weigh-in period shall be ineligible for that weight class. That contestant may wrestle in the weight class for which his/her actual weight qualifies the contestant, or in the next higher weight class.

WEATHER CONDITIONS AND GAME CANCELLATIONS

In the event that adverse weather conditions and school closings or delays affect sub-section, section or state
December 1, 2022

tournament competitions, the following protocol shall be followed.

SUB-SECTION AND SECTION CONTESTS

The sub-section or section site manager(s) or tournament manager(s) shall contact the Region Secretary responsible for the management of the contest who will, in turn, contact the school administration(s) of each participating school to review the weather conditions that exist at the time of the contest or that are forecast

to exist when the contest is scheduled to be played. The Region Secretary will discuss the tournament schedule with each affected school in order to facilitate the smooth flow of the tournament.

If either of the schools objects to the tournament schedule and if the issue cannot be resolved at the Region level, the Region Secretary shall contact the League's Associate Director responsible for the tournament in question who will, in turn, contact the League's Executive Director to further discuss the tournament schedule and provide direction to the Region Secretary regarding the affected tournament. When the final decision has

been made by the League's Executive Director, the Board of Directors will be contacted regarding the final decision.

STATE TOURNAMENT CONTESTS

If the weather conditions are such that tournament contests need to be rescheduled, the Associate Director responsible for that tournament will contact the League's Executive Director. Following a discussion regarding the tournament contact, the Executive Director will contact the President of the League's Board of Directors regarding that decision. When the final decision has been determined, the Executive Director will contact the full Board of Directors regarding the tournament format, and the Associate Director for the tournament will contact the participating schools. The League's Director of Information will contact the news media regarding any schedule changes in the state tournament.

PROCEDURE FOR ALL MSHSL WRESTLING TOURNAMENTS - SECTION AND STATE

- A. All wrestlers will be checked, with their coach present, at the tournament site for unexplained rash or open lesions by a medical doctor.

E. Protocol for Skin Infection Prevention:

1. Coaches should send all wrestlers with suspicious sores or lesions to a physician for evaluation and withhold them from wrestling practice and competition until effective treatment is completed.
2. Coaches should withhold from wrestling all wrestlers with active HSV (herpes simplex virus) or skin lesions (blisters, swollen lymph nodes, fatigue, etc.) until lesions are dry and crusted over.

4. General hygienic considerations:
 - a. Disinfect mats before practice.

 - e. Wear clean workout clothing every day.
 - f. Shower at school immediately after practice; use soap and water.
 - g. Use your own towel — Do not share towels with teammates.

certified/qualified.
