WELCOME

to the **CELEBRATION** of **CHAMPIONS**

Welcome to the 2022-2023 Minnesota State High School League State Tournament!

We are proud to host one of the premier high school state tournaments in the country. The support of students, parents and community makes these events remarkable for the state of Minnesota. The students participating in this tournament exemplify what we, at the League, want for our students: well-rounded, young adults who achieve success in the classroom and participate in activities beyond the school day.

We recognize the vital importance that participation in extra-curricular and co-curricular activities play in creating a positive high school experience. The vast offerings in athletics, fine arts, and activities are all part of what makes our more than 500 member schools amazing academic institutions.

We believe the high expectations we maintain for our students are essential to creating successful tournaments and lifelong memories for all participants. The same expectations apply to our coaches, parents, fans and officials. We expect all individuals to demonstrate respect and good sportsmanship when they attend all tournament contests. Our school communities continually rise to these expectations creating a strong tradition of excellence at our state tournaments.

Thank you for your support and enjoy the tournament!

Troy Stein, President
MSHSL Board of Directors
