WELCOME

to the **CELEBRATION** of **CHAMPIONS**

Welcome to the 2022-2023 Minnesota State High School League State Tournament!

We are proud to host one of the premier high school state tournaments in the country. The support of students, parents and community makes these events remarkable for the state of Minnesota. The students participating in this tournament exemplify what we, at the League, want for our students: well-rounded, young adults who achieve success in the classroom and participate in activities beyond the school day.

We recognize the vital importance that participation in extra-curricular and co-curricular activities play in creating a positive high school experience. The vast offerings in athletics, fine arts, and activities are all part of what makes our more than 500 member schools amazing academic institutions.

We believe the high expectations we maintain for our students are essential to creating successful tournaments and lifelong memories for all participants. The same expectations apply to our coaches, parents, fans and officials. We expect all individuals to demonstrate respect and good sportsmanship when they attend all tournament contests. Our school communities continually rise to these expectations creating a strong tradition of excellence at our state tournaments.

Thank you for your support and enjoy the tournament!

Troy Stein, President
MSHSL Board of Directors

MISSION STATEMENT

The Minnesota State High School League is a non-profit, voluntary association of public and private schools with a history of service to Minnesota youth since 1916. Its mission is to provide educational opportunities through interscholastic athletic and fine arts programs for students and leadership and support for member schools.

Welcome to today's tournament.

Congratulations to the students and coaches for the dedication and achievements that brought them to this Minnesota State High School League tournament.

Thanks to the families, friends and fans who provided the support that led the teams here today.

Welcome and enjoy the competition!

The Minnesota State High School League is proud to have Wells Fargo as their premier corporate sponsor.

Rooting for our team

Some of the best years of our lives are the ones we spend going to classes, having fun, and rooting for our team. Enjoy every minute.

Wells Fargo is proud to salute the competitors in this year's tournament.

Team Duals Tie-Breaker Criteria

In dual-meet competition, if teams have identical scores, the following team tie-breaking system shall be used to determine the winner.

- a. The team whose opposing wrestlers or team personnel have been penalized the greater number of team points for flagrant misconduct or unsportsmanlike conduct shall be declared the winner.
- b. The team whose opposing head coach has been penalized the greater number of team points for coach misconduct shall be declared the winner.
- c. The team whose opposing wrestlers were penalized the greater number of match points for unsportsmanlike conduct during a match shall be declared the winner.
- d. The team having won the greater number of matches (including forfeits) shall be declared the winner.
- e. The team having accumulated the greater total number of falls, defaults, forfeits and disqualifications shall be declared the winner.
- f. The team giving up the least number of forfeits.
- g. The team having the greater number of technical falls shall be declared the winner.
- h. The team having the greater number of major decisions shall be declared the winner.
- i. The team having the greater number (total match points) of first-point(s) scored shall be declared the winner.
- j. The team having the greater number of points for near-falls shall be declared the winner.
- k. The team having the greater number of takedowns shall be declared the winner.
- l. The team having the greater number of reversals shall be declared the winner.
- m. The team having the greater number of escapes shall be declared the winner.
- n. The team whose opponent has been penalized the greater number of points for stalling shall be declared the winner.
- o. The team whose opponent has been warned more often for stalling shall be declared the winner.
- p. The team whose opponent has the greater number of penalties for all other infractions (i.e. false starts) shall be declared the winner.
- q. If none of the above resolves the tie, a flip of a disk will determine the winner.

Upon determining the winning team by use of the tiebreaking system, a single team point shall be added to the prevailing team. The method of recording the score in breaking ties shall be the score followed by the letter of the criterion that broke the tie (e.g. Team A-16; Team B-17, criterion e).

Extracurricular activities. Extra-connected students.

Extracurricular activities teach many lessons.
But there's one that students need now more
than ever: connection. To school. To teammates.
To fans. To each other.
