**The Minnesota State High School League is honored to recognize the schools, coaches and participants in the first sanctioned MSHSL Girls Volleyball State Tournament, 50 years ago. These teams and schools made history by breaking down barriers and paving the way for future generations of female athletes.**

*Their dedication and passion for the sport led them to this groundbreaking moment, where they showcased their skills and competitiveness on a statewide stage. These trailblazing women not only demonstrated their athletic prowess but also shattered stereotypes, proving that gender should never be a limitation in the world of sports. Their remarkable journey continues to inspire and empower young women to pursue their athletic dreams and challenge societal norms. The inaugural participation of these women in the Girls Volleyball State Tournament marked a significant milestone in the ongoing journey toward gender equality in sports.*
